Name Badge As the students are under 11 years old (Year 6), it is mandatory for them to wear a badge on their leotard, displaying their name and emergency contact number. Additionally, any adult picking up a child under 11 must also wear an identical badge. It's important to emphasize that for security purposes, individuals without the matching badge will not be allowed to collect the student.

Because of limited space, small dressing rooms, and the risk of items being misplaced, we kindly request that all members leave their outer garments and shoes with their parents before entering the stage door. Students do not need bags, drink, food or any other items.

As the lobby is compact and serves as a fire exit, it's crucial to maintain clear access at all times. For safety reasons, we ask that parents and guardians refrain from entering the stage door lobby area at any time.
